Subject: Email response

Dear Robert,

I trust you're doing well. I wanted to let you know that I will be out of the country until Sunday, April 2 but will be following my email traffic. Should you have any questions I will respond but it may be a few hours later than usual.

I also wanted to let you know that if you and your team would find it useful for another DC face-to-face meeting to address any questions we can facilitate that as well.

Thanks a million,

Judith
